## ARTIST GATHERING (WITH BARBARA SCHOBER AND IAN WAUGH)

An Lanntair's **Artist Gatherings** are monthly social events for island artists of all disciplines, from music, film and theatre to visual art and design. You do not need to be established or professional to come along – everyone is welcome and we are here to support all forms of creativity.

Each month we invite two special guests to talk about their work. In February we're delighted to welcome two visiting artists:

**Barbara Schober** is a German visual artist whose work has been exhibited internationally, including Australia, the USA, South Africa and across Europe. Barbara was inspired to visit Lewis by An Lanntair's **Hebridean Dark Skies Festival**, as she prepares for an artist residency in Spitsbergen (Svalbard) in October and continues to develop a piece of work called *Moonshots*.
